

Equitas Gurukul

Food Festival

Equitas Gurukul kids of Dindigul celebrated the food festival by sharing food along with their happiness. Our 6th std English Department Faculties Mr.James & Mrs.Sathya took initiative by making the children to do their own cooking. They have a poem named "COOKING", based on this they motivated their kids to start cooking on their own. A Variety of delicious dishes were prepared by our kids. They started feeding their friends of other classes with overwhelming love and care. This incident made our teachers spellbound.

DINDIGUL

Field Visit

KARUR

KARUR

Our kids of Equitas Gurukul Karur were taken to various locations on a field trip to explore and have an experiential learning. The learning outcome is that they got exposed to new locations, new people, able to understand the hardships behind each production, manufacturing challenges etc. They came to know which counter or department to be approached in Bank, Post Office and Railway Station. They even had interaction with the department heads and clarified their doubts. And got trained on how to fill up the forms of respective department. Our team planned the trip in such a way that children were divided in groups with good assistance provided by the teaching and non teaching faculties to support them in all ways.

Job Fair

Equitas conducts job fair for the unemployed underprivileged youth and has helped 2165 youth to get job offers in the month of March 2018. Cumulatively has helped 131674 youth to get employment opportunities so far.
